AP Solver6 #3: Friendship Through Forgiveness Sketch & Write

Sketch & Write:

Use **NOUNS** (Who & Where) & **VERBS** (Action) to share an experience when you (or a character in the book) needed forgiveness from a friend or to offer it to someone else.

Reflect:

Draw a picture of you and your special friend(s) doing something you love to do together. Reflect on how special this person(s) is to you and realize that you may have conflicts with this special person(s) but your connection will be worth your efforts to use *good communication* and *forgiveness* in your friendship.
