DEAR [YOUR LOCAL WASTE MANAGEMENT COMPANY]

Hi! My name is [YOUR NAME HERE] and I live in [YOUR CITY/TOWN HERE]. I am [your age] years old.

I am a young steward that cares about the impact of plastic pollution on our planet. I know that your work, *everyday*, sorting through waste to be sure every piece that *CAN BE* recycled *IS* recycled makes a significant difference in a problem that needs all of our attention & participation.

I want you to know that I am participating with you by learning more about proper waste sorting, waste contamination, composting and telling others about all I learn as well.

I wanted to send A BIG THANK YOU to brighten your day and all the others who work with you at [WASTE MANAGEMENT COMPANY], who are taking part in cleaning up the mess that plastic has made on our beautiful planet. [As a young steward], I know that your work is impacting the health of the planet I will inherit. I promise to continue to participate in your efforts by properly sorting my waste before it comes to you!

In Gratitude,

[Your Name/School]
